THE WORLD GAMES ACTIVITY CALENDAR

The theme of The World Games 2022 Education Initiative is Live Healthy, Play Global, and we want all Alabamians to have opportunities to participate!

The objective of the World Games 2022 Activity Calendar is to provide educators and families quick and easy-to-use information and activities that will help everyone learn about the upcoming international event. The calendar includes 2 weeks of introductory information about The World Games 2022 followed by a week covering each of the 34 sports that will be played in Birmingham. Sports are grouped by category. Each sport week includes a link to the related page on The World Games 2022 website, followed by 5 suggested resources or activities for that week. Activities may be integrated into social studies, geography, civics, science, math, language arts, health, physical education, sportsmanship, art, or music. You may do all 5 activities for the week, or you may pick and choose as desired. Following this weekly calendar during the 2021-2022 school year is a great way to generate excitement around The World Games 2022 before they begin in July.
